

# Start Your Engines... The PTA Penny Drive is about to Begin!

**PTA Penny Drive Fundraiser  
September 16-27, 2019**

Every penny counts, and teams can give their opponents negative points by putting other coins or bills in their opponents' buckets:

Penny = +1 point  
Nickels = -5 points  
Dimes = -10 points  
Quarters = -25 points  
\$1 bills = -100 points  
\$5 bills = -500 points  
\$10 bills = -1,000 points  
\$20 bills = -2,000 points

The team with the most points at the end of the day on Sept. 27 WINS! There will be 7 teams competing against each other (each grade level is a team, plus a team for administration/staff). The first place team wins a Popsicle Party, and the teacher or school staff member representing the team in last place will get pie-faced!

So gather all your loose change... the race is ON!  
THANK YOU for supporting your Forsyth Woods Elementary PTA!
